Beautiful and private south facing 7.57 surveyed acres, located 10 minutes from Weaverville, 18 min to Marshall, 15 min to Mars Hill and 25 minutes to Asheville. Road bed graded into property, leading to multiple potential homesites. Topography is gently sloped and rolling, with distant mountain views. There are many mature white pines that could be harvested for your dream home. This property is located in the beautiful Gabriels Creek area of Madison County. There is an expired septic permit for a 4 bedroom home. For buyers looking for beautiful privacy but close to several wonderful WNC towns, this is a must see!
